

Got Shabbat?

2017-18 | 5778

Shabbat Mornings 9:45am-12:00pm
Kiddush lunch follows!

Got Shabbat? is an opportunity for the whole community to come together and have fun, learn together and find new ways to celebrate Shabbat. Beginning together with songs and blessings, adults and kids are then invited to choose from a panoply of activities inspired by that Shabbat's Torah portion or approaching holiday. Activities include yoga, arts, dance, text study, drama, drumming, and more! After the workshops we gather again to read a little Torah, close the service and enjoy lunch together. Come join us!
